Title: Issue regarding urgent need for construction of an underpass or subway in Kamarkundu in Arambagh Parliamentary Constituency, West Bengal.

**SHRIMATI APARUPA PODDAR (ARAMBAGH):** Sir, I would like to draw the kind attention of the Government towards Kamarkundu in my Arambagh Parliamentary Constituency, West Bengal. There is an urgent need for construction of an underpass to have an easy movement of public and the pilgrims, who come barefoot to offer their prayers at Tarakeshwar Temple. They are also facing a lot of problems while crossing the railway crossing.

Hence, I would urge upon the Railway Minister to order an urgent survey for construction of an underpass or subway in Kamarkundu and sanction it in the interest of the public of my Constituency. Thank you.
