Title: Demand to allocate more kerosene and increase subsidies to the state of Kerala.

SHRI T. N. PRATHAPAN (THRISSUR): Sir, the kerosene allocation to the Kerala State is reduced by the Union Government. It has affected thousands of people in Kerala who use this for cooking, motor operations and in their fishing boats. The price hike of LPG also demands more kerosene. More importantly, the traditional fisher folk use kerosene in their boats.

I would like to know from the Union Government whether they will allocate more kerosene to Kerala with more subsidies.
