Title: Need to sanction an underpass or subway at Kamarkundu in Arambagh Parliamentary Constituency, West Bengal -laid.

**SHRIMATI APARUPA PODDAR (ARAMBAGH):** I would like to draw the kind attention of the Government towards Kamarkundu in Arambagh parliamentary constituency, West Bengal. There is an urgent need of underpass for the easy movement of public and the pilgrims who face problems and go barefoot to Tarakeshwar Temple to offer prayers. I urge the Railway Ministry to do a survey for the construction of an underpass or subway in Kamarkundu and sanction it in the interest of the public.
