Title: Regarding inclusion of State Highways in Bharatmala Project -laid.

**SHRI K. MURALEEDHARAN (VADAKARA) :** The Kannur-Mysore State Highway via Mattannur (Kannur Airport)-Iritty-Virajpetta has been declared for development as NH under Bharat Mala project by the Central Government including it in the recently announced list of works which are to be done urgently. It is noted that Thalassery is an important town in Kannur district which is situated only about 25 km. away from Mattannur and people from southern part of Kannur District have to reach Thalassery while going to Mattannur. Hence, it is requested that Thalassery-Mattannur State Highway may be included in the Kannur-Mysore NH development project so that thousands of travellers could be benefitted.

Vadakara – Kuttiady – Mananthavady – Mysore State Highway is an important road from Kozhikode District to reach Wayanad and Mysore easily. The ‘Pakramthalam Ghat’ road in this SH is used as an alternative to ‘Thamarassery Ghat’ road to reach Wayanad and Mysore. I therefore, request the Government to kindly include this road under Bharatmala project.
