Title: Regarding declaration of cyclone in Andhra Pradesh as a National Disaster and grant of relief to affected people -laid.

SHRI JAYADEV GALLA (GUNTUR): Cyclone has wreaked havoc, particularly in Nellore, Chittoor, Kadapa and Anantapur districts of **Andhra Pradesh** and floods hit hard because Cheyyeru and Penna rivers were in Spate. Life in these districts has come to a standstill. Rail connectivity between South and Eastern India is cutoff, traffic on NH-16 has halted, and many villages are submerged and reeling under complete power cut.

Initial estimates show death of 60 people and thousands of livestock. Preliminary estimates show a crop loss in more than 7 lakh acres. Villages and towns are flooded with water, while people are stranded without food, water, medical support and other essentials. Infrastructure, including rail, roads, bridges, power has been washed away at many places.

Looking at this destruction, I appeal to the Government of India to declare this cyclone as a National Disaster and provide immediate financial and other relief to the people of **Andhra Pradesh**. I also request the Government of India to provide relief to the farmers for crop loss.
