Title: Regarding development of Ambala as Industrial Hub.

SHRI RATTAN LAL KATARIA (AMBALA): Madam, I would like to draw the attention of Hon. Industry Minister towards the fact that my Ambala Lok Sabha constituency has a great potential to be developed as an industrial hub. Ambala is well connected to G.T. Road and has best railway facilities and international airport at Mohali.

A huge investment infrastructure may play a significant role as large planned investments such as Dedicated Freight Corridors(DFCs) in roads, rails and airways across India will bolster trade and consequently raise industrial demand. Investment in infrastructure in Ambala will reduce the pressure on Delhi and NCR region.

For example, Kalka in my Lok Sabha constituency is the gateway of Himachal Pradesh and all the fruits and vegetables are supplied to Delhi. If Ambala will be industrial hub then we can prevent rotting of fruits and vegetables. Sir, this industrial hub may be significant for Punjab, Himachal Pradesh, Chandigarh also.
