Title: Regarding water management plan for Andhra Pradesh-laid.

SHRI LAVU SRIKRISHNA DEVARAYALU (NARASARAOPET): I thank the Jal Shakti Ministry for notifying KRMB and safeguarding the interests of farmers of Andhra Pradesh.

I make the following requests to the Jal Shakti Ministry:-

(i) to instruct KRMB to take note of excess water usage that Telangana has utilised in the last 2 months and the same be accounted against their quota of 299 TMC.

(ii) Denotify the Prakasam Barrage which is in Andhra Pradesh whose water is fully utilized by Andhra Pradesh.

(iii) Third, and most importantly create a water management plan on urgent basis so that during the time of floods, water be used by both the states over and above the allocated quota.
