Title: Need to provide salaries and other facilities to Anganwadi workers and their helpers.

***SHRI JASBIR SINGH GILL (KHADOOR SAHIB):** Thank you, Sir, I want to talk about Anganwadi workers and their helpers, today. These women take care of children between 3 years to 6 years age. This is the time when the children undergo maximum mental and physical growth. These Anganwadi workers have acted as frontline warriors during the Corona pandemic outbreak.

I urge the Central Government to not only provide honorarium or letters of appreciation but also provide salaries and other facilities to Anganwadi workers and their helpers.

The Anganwadi Centers should be established in a better way. Facilities like water-coolers, furniture, kitchen and air-coolers should be provided to them. These workers and their helpers should be given Covid-19 vaccine at the earliest.

माननीय सभापति: आपको धैर्य तो रखना होगा । जो बार-बार हाथ उठाएंगे, उनको मैं आखिर में बुलाऊंगा ।

श्री गोपाल जी ठाकुर ।
