Title: Need to declare three state highways in Koppal district of Karnataka as National Highway.

SHRI KARADI SANGANNA AMARAPPA (KOPPAL): Mr. Chairman, Sir, I am thankful to you for allowing me to raise an urgent matter of public importance.

I would like to draw the attention of the hon. Minister on some of the State Highways, which are very much required to be declared as National Highways due to increasing density of traffic and public movement. There are three most important stretches, which need to be declared as National Highways in the District Koppal, Karnataka. One is Ginigera to Raichur; second is Sindhanur to Naragund; and third is Koppal to Shiggaon. These are three very important roads.

Sir the work has already been done. The DPR has already been prepared and submitted for approval to the Ministry. But approval is still pending for all three matters. A meeting of the Department for all the three matters was already held in the month of October, 2018 to get them approved. But I am sorry to state that the approval has not yet been given

I would, therefore, request the hon. Minister to give approval for all these three matters at the earliest, which is necessary for the betterment of the people at large.

Thank you.
