Title: Regarding release of funds under PRASAD Scheme -laid.

**DR. BEESETTI VENKATA SATYAVATHI (ANAKAPALLE) :**  
During my frequent visits to my constituency, the local people had raised their voice to develop the oldest and ancient temples constructed during 10th century with heavy footfall of around 1 to 1.5 lakhs .They are namely Sri Nookambika Ammavari temple located at Anakapalli, Sri Swayambhu Karya Siddha Vinayaka Swamy Temple located at Chodavaram, Sri Venkateswara Swamy located at Umpaka village, Brahmalingeswara Temple located at Balighattam village, Umadharmalingeswara temple located at Panchadarla village. Hence, I request the Hon'ble Minister for tourism, Govt of India, to consider the ancient history of the above temples and release the funds under PRASAD scheme.
