Title: Request to allocate fund for the completion of Green field highway in Kerala.

SHRI ANTO ANTONY (PATHANAMTHITTA): Sir, I would like to request the Government to take urgent action to implement the new NH in Kerala from Thiruvananthapuram, Kottarakara, Kony, Rany, Kanjirapalli to Angamaly, which is the most suitable alignment connecting 21 highway corridors. Major towns stretch along Kerala. The proposed greenfield national highway will run parallel to the existing M.C. Road in Kerala. The new corridor will be the solution to the problem of heavy traffic congestion. It is linked to major pilgrim centres like Sabarimala, Erumeli, Nilakkal, *Bharananganam*, Malayattoor, etc. Therefore, I would request the Government to allot sufficient funds for the completion of this greenfield highway in Kerala.
