Title: Regarding pathetic condition of Circus artists –laid .

SHRI K. MURALEEDHARAN (VADAKARA) : I would like to draw the attention of the Government towards the pathetic situation of the Circus artists. It is a fact that Circus artists are not getting due consideration for their skills either from the Central government or from the state Government. They are the worst sufferers as the circus companies have shut down their business. I, therefore, request the Government to consider the following demands. Give due consideration, as being given to the Sports and cinema, to the Circus. Constitute awards for Circus artists, Reserve 25% of the seats in the Sports Authority of India centre for the children of Circus artists. Set up a scheme to grant circus pension to the circus artists all over India and Set up Health insurance scheme for the circus artists.
