Title: Need to construct pending Kendriya vidyalaya Building in Zahirabad Parliamentary Constituency

SHRI B. B. PATIL (ZAHIRABAD): Thank you, Sir. I would like to raise a long-pending issue of construction of permanent building for KV, Jharasangam which falls under my Zahirabad constituency in Telangana. The work has already been allotted to CPWD, Hyderabad. They have already submitted all relevant documents for the construction of KV building to the Kendriya Vidyalaya Sangathan in New Delhi. When approached KV Sangathan, they said: "They do not have funds for the construction of building. You can contact the Ministry of Education for the same."

Sir, I request the hon. Minister for Education to kindly intervene in the matter and get the needful done at the earliest as it is a long-pending demand.

Thank you.
