Title: Regarding students' protest in JNU, Delhi.

SHRI HIBI EDEN (ERNAKULAM): Sir, the Jawaharlal Nehru University was established in 1969. It is one of the most important and premier institutions of our country. It is considered to be a centre of excellence. For the last many months, there has been an organised conspiracy on from the part of the administrators itself to destroy this university.

Relating to the fees hike, there has been constant strikes and agitations from various student organisations. On 5th January, 2020, a number of people from outside came and attacked the students and student leaders of the university. At the same time, there were many people who were beaten outside the university. This is an organised crime with the help of the Vice Chancellor, this is an organised crime with the help of the security staff, and the Delhi Police, who was inside the campus, stayed away from all this. So, an independent inquiry should be ordered to look into this matter. Till now, not a single person has been arrested in this particular issue. None of the bodies in the university, including the Academic Council, the Board of Studies has been discussed it. Sir, removal of Vice Chancellor is very important. Necessary steps should be taken in this regard. ...(*Interruptions*)
