Title: Regarding withdrawl of the SPG cover from the family of previous Prime Ministers, late Shri rajiv Gandhi.

**SHRI ANTO ANTONY (PATHANAMTHITTA):** Sir, the breach of security at Shrimati Priyanka Gandhi's residence on 25<sup>th</sup> November, 2019, is a matter of serious concern. When SPG cover was withdrawn, the Government claimed that they are protected with a surplus category and provided more security personnel. If it is true, how can seven persons in a car, without any security check, ram into the House?

Sir, I urge the Government not to play politics over the security of the family who paid this country with the lives of two Prime Ministers under Independent India, and the same family continues to face the highest security threat in this country. ...(*Interruptions*)
