Title: Need to convert NH-60 in Bankura Parliamentary Constituency in West Bengal into a four-lane road-laid.

DR. SUBHAS SARKAR (BANKURA): NH-60 is an important national highway which is connecting South India to Eastern and North East India.

NH-60 runs from Balasore to Moregram. In my Bankura Parliamentary Constituency, West Bengal, the length of this road is about 100 kms. I request the Minister of Road Transport and Highways through you to make this important road a four lane highway.
