Title: Need to sanction special grants for development of Sayala and Muli talukas in Suredranagar Parliamentary Constituency, Gujarat.

DR.(PROF.) MAHENDRA MUNJAPARA (SURENDRANAGAR):

Hon. Speaker, Sir, today I would like to speak for development of two Talukas of my Constituency. The first one is Sayala, known as Bhagat Nu Gam due to Laljee Maharaj ni Jagya; and the second is Muli, well known for the temple of our beloved God Shri Mandavrayjee. Many pilgrims regularly visit these two holy places seeking the blessings of God. Despite this, these two Talukas are lagging behind in development when compared to other Talukas of my Constituency. There is the six-lane National Highway No.8 passing by these two Talukas and many casualties happen there in accidents throughout the year. So, I request the Government, through you, to sanction special grants for development of both these holy places and creation of facilities for temple visitors. I would request that two well-equipped ambulances be provided for each Taluka for transfer of patients in serious condition to better hospitals. Thank you.

माननीय अध्यक्ष : माननीय सदस्यगण मुझसे आग्रह कर रहे हैं कि अगर हमारा बोलने का चांस आए तो हम रुकें । किसका चांस आएगा, यह तो पता नहीं है, किसी से कोई कमिंटमेंट नहीं है । किसी का भी बोलने का चांस आ सकता है ।

श्री एंटो एन्टोनी - उपस्थित नहीं ।
