Title: Demand to sanction and provide fund to construct Railway Under Bridge in Anakapalle Parliamentary Constituency, Andhra Pradesh.

DR. BEESETTI VENKATA SATYAVATHI (ANAKAPALLE): Hon. Speaker, Sir, Lankelapalem is a village in my parliamentary constituency. Through the middle of the village, a railway track is passing. The Railway Department has constructed an ROB. A flyover was constructed and the gate of railway crossing was closed. As it is, the track is in the middle of the village and people are crossing from one side to the other and many accidents are taking place.

Hon. Speaker, Sir, through you, my request to the hon. Railway Minister is to sanction an RUB and to construct it with Central funds.

Thank you very much.
