Title: Regarding BSNL service - Laid

SHRI DEVUSINH CHAUHAN (KHEDA): I wish to draw the attention of the Government towards poor service of BSNL particularly about their plans and especially about their data/internet plans. BSNL is offering data plans which are very old i.e. Baba aadam ke jamane ke plan chala rahe hai wo log. They do not give options to MPs also. How can they compete and survive in the market with such plans? Whereas on the other hand, all private companies are providing very cheap data and voice calls and this is the reason that people are moving towards them by abandoning BSNL. Not only this, it is very surprising to know that even after passing of five years, BSNL sends bills to MPs showing dues and forcing them to pay. I, therefore, request the Hon'ble Minister to take into account above points and take remedial steps.
