Title: Demand to establish a new Kendriya Vidyalaya in Attingal Parliamentary Constituency, Kerala.

ADV. ADOOR PRAKASH (ATTINGAL): I would like to draw the attention of the Government towards the need to establish a new Kendriya Vidyalaya in my Parliamentary Constituency, Attingal, in Kerala.

The Indian Institute of Space Science and Technology (IIST) is a Government-aided institute and a deemed university for the study and research of space science, which is located at Valiamala, Nedumangad. The establishment of a new Kendriya Vidyalaya at IIST campus would be of great help to the employees of IIST and the people residing in adjacent areas. The institute has a vast campus and availability of sufficient land for Kendriya Vidyalaya would not be a problem.

I would request the Government, through you, Sir, to consider it and take a favourable decision.
