Title: Regarding leakage of the answers sheets of the University College, Thiruvananthapuram examination.

SHRIMATI RAMYA HARIDAS (ALATHUR): Sir, I would like to raise a serious matter that is going on in Kerala now.

There are several allegations about the university and PSC examinations. In Thiruvananthapuram University College, Kerala Police, as part of a case, has conducted a raid, in a Student's Union Office, named SFI. The people of Kerala were really shocked when the Police found the answer sheets of the university examination from the Union Office. The terrible fact is that an accused in a murder attempt case has been enlisted in the Kerala PSC list for Police Department.

People of Kerala and several students unions except the SFI have demanded CBI investigation. But the State Government has denied it. The Kerala Students Union President Shri K.M. Abhijit and his colleagues are sitting on a *nirahar satyagraha* demanding the same. But the Government has totally neglected this demand. So, I request the Government to interfere in this matter immediately. Thank you.
