Title: Need to withdraw the outsourcing policy in respect to scientist of Earth Sciences.

SHRI B. MANICKAM TAGORE (VIRUDHUNAGAR): Sir, when the hon. Prime Minister speaks about 'Jai Jawan, Jai Vigyan', the Government's words and action do not match because a recent circular dated 02.12.2021 issued by the Ministry of Earth Sciences is shocking. This circular proposes to outsource the recruitment of scientists on the lines of Group D staff and security staff. Therefore, I would like to demand, through you, that the hon. Minister of Earth Sciences withdraw the outsourcing policy with respect to scientists in the Ministry of Earth Sciences.

Thank you.
