Title: Request the government to help the people of Chittoor and Kadappa districts of Andhra Pradesh from the losses by flood.

**SHRI P.V. MIDHUN REDDY (RAJAMPET):** Thank you, Sir. Recent floods have caused huge damage in Chittoor and Kadapa districts of Andhra Pradesh. Our hon. Chief Minister has requested the Centre to help the State to cover the losses caused by these floods. The Central Government has already sent a team there and they have assessed the damages caused in the two districts.

So, I would request, through you, the Central Government to help the State immediately so that the losses are covered at the earliest.

Thank you, Sir.
