Title: Regarding problems being faced in running of post offices in Arambagh Parliamentary Constituency-laid.

**SHRIMATI APARUPA PODDAR (ARAMBAGH):** The post office especially in my constituency which is a totally rural area, plays an important role in providing financial services but due to lack of basic infrastructure the account holder faces problem. There is inadequate number of staff in post offices, no proper sitting arrangement and no sufficient space in the post offices to set up a counter with a computer. The sub-post offices are facing most problems in Khanakal block, Goghat block, Pursurah block etc. I urge the Government to look into it and take necessary steps.
