Title: Regarding grant of funds for National Investment and Manufacturing Zone (NIMZ) at Zaheerabad inTelangana-laid

SHRI B.B. PATIL (ZAHIRABAD): The National Investment and Manufacturing Zone (NIMZ) at Zaheerabad in Telangana was accorded final approval by DIPP, Ministry of Commerce on 22.01.2016. The project envisages developing an extent of 12,365 acres with an investment of Rs. 13,000 crore with funding from the Govt. of India & the State government. In this context the State government has taken pro-active steps for acquisition of 3500 acres of land with its own funds. The detailed master plan for development of Phase-1 is also ready. Telangana State government has requested DIPP, Ministry of Commerce for release of an amount of Rs, 500 cr. towards Govt. of India share for development of external & internal infrastructure under Phase-1. Telangana State Government is committed to provide the matching state share as per norms. In keeping with the priorities of the Government of India & Make in India campaign, it is requested that funding for this project may be started at the earliest for promoting manufacturing activity in Telangana.
