Title: Regarding issues pertaining to running of train through Malda Town Railway Station.

श्री खगेन मुर्मु (माल्दहा उत्तर): धन्यवाद, सभापति महोदय । आपने मुझे अपने वक्तव्य को बांग्ला भाषा में रखने की अनुमति प्रदान की, इसके लिए मैं आपके प्रति आभार व्यक्त करता हूँ ।

*Hon'ble Chairman Sir, through you I would like to draw the kind attention of this august House to the busiest railway station of my constituency, Malda Town, from where every day for medical treatment, business purposes and other personal work, hundreds of people travel to Delhi, Bengaluru, Chennai and various other places of South India. Sir, in comparison to the number of passengers, the number of train is less. The allotted seats are also very less. Therefore the passengers do not get confirmed tickets and they face lots of problems as a result. Thus, through you Sir, I would like to present the following proposals before Hon'ble Minister of Railways.

Sir, my first proposal is that new superfast premium express trains should be introduced from Malda Town station to Delhi, Chennai, Bengaluru. Secondly, a halt for Vande Bharat Express may be given at Malda Town Station and at least one coach may be allotted for Malda in each class. The third proposal is that in every long distance train passing through Malda Town station, number of allotted seats may be increased.

Thank you Sir.
