Title : Regarding establishment of a national level sports college and sports infrastructure under Khelo India Scheme in Gulbarga Parliamentary Constituency.

DR. UMESH G. JADAV (GULBARGA): Kalaburagi being the division headquarters and the fastest emerging educational hub, nearby district like Yadagir and Bidar students choose Kalaburagi as their centre for higher study. Kalaburagi has two Universities and is the centre of the only Central University of Karnataka. Kalaburagi also has three engineering colleges, a Government Medical College, ESIC Medical College, a Private Medical college, a Fine Arts College, several pharmacy colleges and degree colleges. But all the above institutions lack sports centre with the importance and benefits of sports education in Kalaburagi being highly felt, the establishment of a sports college in Kalaburagi is in great demand. Therefore, it is requested to establish a National Level Sports College in Kalaburagi for the benefit of the people of Hyderabad Karnataka Region along with that there is a dire need for the construction of 300 bedded residential hostel for boys and girls Separately.

Below are the few demands which are pertaining to my constituency under Khelo India:

1. Construction of international standard hockey turf court to promote hockey in this region.

2. Construction of international standard multipurpose indoor games hall to organize game like kabbadi, kho kho, volleyball, throwball, basketball.
3. Construction of public gallery for this court.
