

the British firm to purchase these aircraft at a price of Rs. 75,000 per aircraft and it was not accepted by the Indian Airlines Corporation and, if so, the reason for the rejection of this offer?

**Shri Mohiuddin:** I am not sure of the offer the hon. Member is referring efforts through various agencies to dispose of these aircrafts. As far as this particular case is concerned, I know that no firm offer was received.

**Shri Kodiyar:** May I know whether any offer has come from within the country?

**Shri Mohiuddin:** I have no knowledge about it.

**Shri Tangaman:** The hon. Deputy Minister said on 11th December, 1957 that the IAC have decided to dispose of the Viking planes. On 4th March we were told that 12 planes have been ground, 7 in Delhi and 5 in Bombay. May I know how long it will take to dispose off these 12 planes?

**Shri Mohiuddin:** As I have just now mentioned, the Corporation is making all efforts to sell them. As the hon. Member knows, the demand for piston-engined aircraft is not keen now-a-days. But it is expected that if any reasonable offer is received they will be disposed of.

श्री जोकीम अलवा : क्या सरकार को मालूम है कि अभी पिछले दिनों डेकोटाज की खरीद के बारे में प्रान्डिजारेबुल ऐक्टिविटीज की शिकायत सुनने में आई थी और क्या गवर्नमेंट ने इस विषय में माबचानी बर्ती है कि वही मैलप्रैक्टिसेज की शिकायतें वाइकिंग ऐयर क्राफ्ट के परबेजेज के सिलसिले में न रिपीट हों और उनको बंद करने के लिए गवर्नमेंट ने क्या एप्रोप्रियेट डिमीशन लिया है ?

**Shri Mohiuddin:** That is exactly the reason why we do not want to raise any controversy. We are more careful about it.

**Shri Hem Barua:** May I know whether it is a fact that Viking aircrafts are unsuitable for tropical conditions and, if so, whether this fact was assessed before acquiring these Viking aircrafts.

**Shri Mohiuddin:** As far as our experience of the Viking is concerned, they have served us very well and they are very good aircraft for the tropical countries.

**The Deputy Minister of Civil Aviation (Shri Mohiuddin):** (a) Out of a total of 14 trainees, 6 have so far completed their training and the remaining eight will be completing it within the next three months.

(b) The delay has partly been due to the trainees failing in their technical examinations. A temporary shortage of flying instructors has also been a contributory cause.

(c) Necessary action is being taken to complete the course as early as possible.

**Shri Joachim Alva:** Are Government aware that we have a large number of boys wanting to be trained in civil aviation? I find that Government have not put up a first rate up to date modern school in India. May I know the reasons for the defects of this training, especially in the matter of navigational coaching?

**Shri Mohiuddin:** I am sure that hon. Members are aware that our Central Aviation Training School at Allahabad is giving very good training, and there is improvement in the standard of training from time to time. As far as number is concerned, of course, the number of admissions is restricted according to the capacity of the institution as well as according to the anticipated absorption of those trained students in civil aviation.

**श्री भक्त वरदान :** श्रीमान्, जैसा कि माननीय मंत्री ने बतलाया कि इस नई सड़क योजना पर ५२०० करोड़ रुपये लगेंगे तो क्या इस सम्बन्ध में योजना प्रायोग में कोई परामर्श किया गया है या उन्होंने कोई धारावा-सन दिया है कि इतने रुपये की व्यवस्था की जा सकेगी ?

**श्री राज बहादुर :** योजना प्रायोग से प्रथम परामर्श किया जायगा किन्तु उसके पहले यह धारास्यकना समझी गई कि राज्य सरकारों एवं केन्द्रीय मंत्रालयों से जो कि इससे सम्बन्धित है उनसे इस विषय में पूछताछ की जाय और उनकी राय ली जाय ।

**Shri Hem Barua:** May I know whether it is a fact that the recommendations made by the Chief Engineers were examined by the Masani Committee also?

**Shri Raj Bahadur:** I do not think road transport should be confused with the road plan.

**श्री श्री ० नु० तारिक :** मैं यह जानना चाहता हूँ कि इस बन्द हिन्दुस्तान और कश्मीर के दरमियान जो एक ही रास्ता जम्मू काश्मीर रोड है तो इस सिलसिले में क्या हुकमत काश्मीर ने प्राय से दरखास्त की है कि वह पुराना रास्ता जिसको कि मुघल रास्ता कहा जाता है उसको डेवलप किया जाय जो कि कांगडा से बराए राहत कश्मीर जाता है ?
