Title: Regarding condition of Jawahar Navodaya Vidyalaya, Kendrikona, Meghalaya and inclusion of Employees of School under CCS Pension Scheme (1972)

KUMARI AGATHA K. SANGMA (TURA): I would like to draw the immediate kind attention of the Union Government towards the condition of Jawahar Navodaya Vidyalaya, Kendrikona, Mahendraganj, Meghalaya. The school is facing lots of problems and shortage of basic amenities like power and infrastructure. There is no availability of proper electricity which affects the distribution of water inside the campus as well as the administration of the school. The incomplete boundary wall of the campus threatens the safety and security of the students and staff inside the campus. Boundary walls of some parts of the campus need to be constructed immediately. Water Pipelines inside the campus need to be replaced as it is quite old and is having leakages at several points. Playground is the most important part of the school and the school authority had requested many times for the construction of a playground inside the campus. Here, proper space or area is available for the same inside the campus.

I also would like to request Government to consider the CCS Pension scheme (1972) for Navodaya Vidyalaya School employees who joined services prior to 01/01/2004.
