Title: Regarding Opening of a Kendriya Vidyalaya at Anakapalle

DR. BEESETTI VENKATA SATYAVATHI (ANAKAPALLE): The opening of Kendriya Vidyalaya at Anakapalle was decided by the Committee on School Education, Ministry of Education. In this connection, a team of Kendriya Vidyalaya Sangathan and the Ministry of Education had an inspection of the building which was earmarked by the state government for the above purposes.

I have come to know that the sanctioning of the Kendriya Vidyalaya at Anakapalle has been given but no official notification has been issued for the academic session 2022-2023. I would also like to bring to the notice of the Government that the CPWD has already visited the allocated site and taken possession of the same.

I would request the Government to kindly start the academic session from the Month of August 2022, so that the economically backward students of the area can get good quality education in the Kendriya Vidyalaya. I would like to assure you of all the proactive support and co-operation of the state government in this matter.
