Title: Regarding pending railway projects in Jharkhand - Laid

SHRI NISHIKANT DUBEY (GODDA): I had highlighted that many railway projects, which had already been sanctioned are stuck in red-tapism and needless delays at various levels — Ministry, government of Jharkhand and district administration. Less than one year is left now to undertake development works for the benefit of people, I would request you to please intervene personally.

The projects are:

- (1) Hansdiha - Godda
- (2) Pirpainti - Jasidih
- (3) Vikramshila - Kateriah bridge at Bateshwarsthan
- (4) Godda - Pakur
- (5) Chitra - Basukinath
- (6) Upliftment of Jasidih station
  - (a) Washing Pit
  - (b) Second entry
  - (c) By-pass
- (7) New Halts :-
  - (a) Arjun Nagar
  - (b) Saliya
  - (c) Dhawatand
- (8) Madhupur Railway Station development
- (9) New Trains :-
  - (a) Deoghar — Howrah
  - (b) Deoghar - Delhi
  - (c) Poorva - Daily
  - (d) Three days —Rajdhani —via-Jasidih
  - (e) Duranto via Jasidih — Daily
  - (f) Bhagalpur — Howrah via Dumka

- (g) Deoghar — Sultanganj via Banka
- (h) Bhagalpur — Ranchi via Banka
- (i) ROB at Santhali Village — Deoghar

I, therefore, urge the government to take immediate steps in this regard.
