SHRI KODIKUNNIL SURESH (MAVELIKKARA): The Government must establish a National Corporation for the Welfare Of Converted Dalit Christians on the model of Kerala State Development Corporation for Christian Converts and the Recommended Communities (KSDC for CC & RC). By putting in place a legislative framework and institutional structure for the scheduled caste converted Christians, their existing socio, economic, cultural, and educational backwardness will be alleviated effectively. Avenues for employment, targeted financial schemes for enhancing access to capital, loans for education and entrepreneurship, special recruitment for employment must also be made accessible to Dalit Christians through the establishment of the corporation.
