Title: Regarding the implementation of Swaminathan Commission Report

***SHRI RAVNEET SINGH (LUDHIANA):** Hon. Chairman Sir, Punjabis are at the vanguard as far as bravery is concerned. We are proud of our army and our farmers. You must have watched videos circulating where Punjabi army men are beating the transgressing Chinese soldiers black and blue. The video is viral. Secondly, you must implement the Swaminathan Commission Report. Their loans should be waived off. Cases lodged against them should be taken back.

You help the Punjabis. We will take care of our borders and our farmers will fill the coffers of central pool with surplus foodgrains. Please take care of Punjabis. Country will remain number one.
