Title: Regarding complete waive off the toll fee at Tirumangalam on NH 744

#SHRI DHANUSH M. KUMAR (TENKASI): Hon Chairman Sir, Vanakkam. National Highway No 44 passes from Jammu Kashmir to Kanniyakumari. On this highway, a toll plaza is situated at Tirumangalam near Madurai. Thirumangalam –Kollam National Highway is just 4 kilometers from this Toll Plaza. People from the areas like Srivilliputhur, Rajapalayam, Tenkasi and Kadaiyanallur of my Tenkasi Parliamentary Constituency use this National Highway.

The people of these areas are forced to pay the full toll fee just for using this 4 km stretch of road. I therefore request the Union Government and the Minister for Road Transport and Highways to completely waive off the toll fee for this stretch and allow the people living in the adjoining areas to use NH744 without any hindrance.

Thank you.
