Title: Regarding establishment of a new Kendriya Vidyalaya in Narasapuram Parliamentary Constituency.

SHRI RAGHU RAMA KRISHNA RAJU (NARSAPURAM): Sir, I would like to draw the attention of the Minister of Education to the establishment of a new Kendriya Vidyalaya in the Narasapuram Lok Sabha Constituency of Andhra Pradesh.

Subsequent to the recent district restructuring in accordance with the parliamentary constituency of each district, Narsapuram Parliamentary constituency is now known as West Godavari District, with Bhimavaram as its district headquarters.

There are over 1250 Kendriya Vidyalaya schools in almost every district of the country. But there is no Kendriya Vidyalaya in our district now. It is a well-developed area, with an Aqua export of over Rs. 15,000 crore from my district. Many central government institutions have already been located, and many more are coming up. There is demand for a Kendriya Vidyalaya school in the Bhimavaram area to cater to the needs of the students of Central Government employees, which is the primary criteria for setting up a Kendriya Vidyalaya.

I, therefore, request the Hon'ble Minister of Education to consider setting up a Kendriya Vidyalaya as a top priority and extend whatever support is required.
