**Title: Need for completion of construction work of AIIMS Madurai.-laid**

**SHRI S. VENKATESAN (MADURAI):** AIIMS, Madurai was announced during 2015-2016 under the PMSSY scheme and the approval was given on 17.12.2018 under phase V along with 6 other AIIMS. Though its been more than 3 years since the Hon'ble PM laid the foundation stone in 2019 for the AIIMS Madurai but no construction work has taken place.

Whereas the construction work of some of the AIIMS announced thereafter under phase VI, VII and VIII have completed upto 60 to 98% of the work and admissions have also begun.

Hence, I request the Government not to further postpone the construction work initially scheduled to be completed in September, 2022 because the classes have already began in temporary campus at Government Medical College and also request to provide the planning breakups of AIIMS, Madurai. I would further like to mention that the target date of completion is October, 2026.
