**Title: Regarding establishment of a new rail line from Ulkana in Hisar district to Narwana in Sirsa Parliamentary Constituency.**

**SUSHRI SUNITA DUGGAL (SIRSA):** I would like to submit with regards to the construction of a new rail line from Ulkana in Hisar District to Narwana which comes in my Parliamentary constituency of Sirsa. This stretch of nearly 28-30 km from 'Ulkana Railway Station' situated on the Hisar-Jakhal route to 'Narwana Railway Station' situated on the Jakhal-Jind rail line, i.e. from Ulkana to Narwana, if connected through a new rail line, will immensely benefit not only the people of Sirsa and Fatehabad districts of my Parliamentary Constituency but also neighbouring Hisar district by providing new route to go to Chandigarh. Further, Hisar will also be connected with the state of Rajasthan via Jodhpur, Bikaner, besides directly connecting to Chandigarh through a shorter route. Thus it will be a boon for the people of my constituency alongwith the people of Hisar district since it will enhance ease of business as well as travel among other things.
