

**Title: Construction of a ROB at Doraha on Ropar-Ludhiana highway.**

**DR. AMAR SINGH (FATEHGARH SAHIB):** Thank you, Hon. Chairman Sir. There are two major issues that are affecting my constituency Shri Fatehgarh Sahib. MNREGA Scheme is in shambles in this area. The second issue is regarding railway overbridge. It is creating a lot of problems. Only 15 to 20% work is completed in MNREGA Scheme in my area. 50% money has already been utilized. The share of material payment is 80 to 90% that is pending.

The workers come to us with the complain that the Central Government is not sending money. I urge upon the Central Government to release the entire amount of MNREGA. Material payment should also be sent. Only then can the labourers get their dues.

Secondly, on Ropar-Ludhiana highway, an ROB is pending for the last several years. Last year, Hon. Gadkari ji had himself said that on the national and State highways, ROB's will be constructed soon. I urge both the Ministries to construct this ROB at Doraha. Otherwise, a jam of 5 to 10 kms. has become the order of the day here.

Thank you.
