Title: Re: Train services and upgradation of facilities in route connecting Tirunelveli to Bengaluru via Tenkasi.

SHRI DHANUSH M. KUMAR (TENKASI): Thank you Hon Chairman Sir. This is a long pending demand of the people of my Tenkasi constituency. The rail route connecting Tirunelveli to Bengaluru via Tenkasi is an important one. I urge upon the Union Government that many trains should be operated in this rail route and make this rail route functional. Also the railway route between Sengottai-Tenkasi-Coimbatore-Tiruppur- Erode, as announced in the Budget of 2009, should see the light of the day. The frequency of Silambu Express (16181) which runs from Chennai to Sengottai should be made operational seven days a week. Pothigai Express train is a preferred train which is frequently used by the people of my Constituency. The bogies of this train need to be revamped besides ensuring upgraded and clean toilets in this train. I request that all the above demands pertaining to Railway Ministry will be looked into and be fulfilled at the earliest. Thank you.
