

The supply of gunny bags has also to conform to the prescribed specifications and packing requirements, subject to inspection by the Principal of Jute Technology or his authorised representatives.

(b) Yes, Sir, except on a few occasions when the stock position of bags in the cement factory came down to a very low level and bags had to be purchased at fixed rates.

(c) Certain minor discrepancies were initially raised by the Government audit party in respect of the accounts for the period 1970-71 but on their being satisfactorily explained by the Corporation, the objections have been dropped.

**राजस्थान में उद्योगों की स्थापना के लिये साइसेंस जारी करना**

5717. श्री पन्ना लाल बाप्याल : क्या औद्योगिक विकास मंत्री यह बताने की कृपा करेंगे कि गत तीन वर्षों में राजस्थान में किन-किन प्रकार के उद्योग स्थापित किये गये हैं और वे किन-किन स्थानों पर हैं ?

**SURVEY OF LADAKH REGION BY BOTANICAL SURVEY OF INDIA**

5718. SHRI KUSHOK BAKULA: Will

the Minister of SCIENCE AND TECHNOLOGY be pleased to state:

(a) whether the Botanical Survey of India has undertaken botanical exploration tour of the Ladakh region in Jammu and Kashmir State; and if so, the outcome thereof;

(b) whether it is proposed to undertake the survey of plants and herbs in the above region; and

(c) whether the Botanical Survey of India propose to set up a herbarium in Ladakh in view of a large variety of herbs and plants grown in the area; and if so, the details thereof?

THE MINISTER OF PLANNING AND MINISTER OF DEPARTMENT OF SCIENCE AND TECHNOLOGY (SHRI C. SUBRAMANIAM) : (a) The Botanical Survey of India took up the project entitled "Botanical Exploration of Chamba Lahul-Spiti and Ladakh" and one collection tour to Ladakh was undertaken during July-September 1970 when about 341 plant specimens and 40 varieties of seeds were collected.

(b) Yes, Sir; the survey work has already been initiated.

(c) There is at present no proposal to set up a Herbarium at Ladakh. The plants collected from Ladakh area are being deposited in the Herbarium of the Northern Circle of the Botanical Survey of India at Dehra Dun, under whose jurisdiction the Ladakh area falls.

**BOTANICAL EXPLORATION TOURS CONDUCTED BY THE BOTANICAL SURVEY OF INDIA**

5719. SHRI ANADI CHARAN DAS: Will the Minister of SCIENCE AND TECHNOLOGY be pleased to state:

(a) the number of botanical exploration tours conducted by various circles of the Botanical Survey of India during the last three years;

(b) the number and species of plants and herbs collected during the above tours;

(c) the money spent on the tours and collection and preservation of plant specimens;

(d) whether the collection of specimen of plants has been made available to botanists and plant scientists in the country; and

(e) whether the botanical survey in the various parts of the country has any plans for providing assistance to Orchard owners, farm keepers or forest officials?

THE MINISTER OF PLANNING AND MINISTER OF DEPARTMENT OF SCIENCE AND TECHNOLOGY (SHRI C. SUBRAMANIAM): (a) The total number of botanic exploration tours conducted by the Botanical Survey of India during the last three years is 99.

(b) About 13,498 species and 80,990 specimens were collected during these tours.

(c) Rs. 1,01,257.75.

(d) Botanical specimens are supplied by the Botanical Survey of India to research institutions, universities etc. on demand. The Herbaria of the Survey are also open to scientists and provide facilities for consultation and reference.

(e) Yes Sir. The Indian Botanic Garden of the Botanical Survey of India at Sibpur advises orchard owners and supplies them plant material from its nurseries. The Regional Circles of the Survey also do this on a smaller scale. The Botanical Survey of India also works in collaboration with the Forest Departments, particularly for preservation of rare plant species.

देश में अनुसूचित जातियों के व्यक्तियों को जित्था जमाना देने और उनके मकानों को जलाने की घटनाएँ
