

**Regarding setting up of Textile Park under PM Mitra Scheme in Puducherry - laid**

**SHRI VE. VAITHILINGAM (PUDUCHERRY):** In Puducherry, there are three State owned textile Mills in the name of Anglo French Textiles, Bharathi Mill and Swadeshi Mill in the Puducherry Urban-Area with sprawling area. At present these Mills are not functioning and leaving behind hundreds of mill workers jobless. These three mills are existing in the Puducherry-Cuddalore Main Road in the close proximity with total land of more than 100 acres. I request the Central Government to set up Textile Park in the above said land under the P M MITRA Scheme so that the existing buildings and manpower can be utilized.
