Ownership Rights in Resettlement Colonies

- 456. SHRI TARIF SINGH: Will the Minister of URBAN DEVELOPMENT be pleased to state:
- (a) whether Government propose to give ownership rights in the resettlement colonies in Delhi and make adequate arrangements for sanitation, development of parks, electricity and water; and

(b) if so, the details thereof?

The Government of India had decided to grant lease hold rights to the allottees of plots and tenements in the resettlement colonies under the Jhuggi Jhonpari Resettlement Scheme as far back as in September, 1980. However, the response from the allottees has been negligible as a very small number of the allottees have paid the prescribed liquidation charges. Civic services such as regular sanitation, electricity and water have been provided in these colonies. Sewerage facilities and horticultural development are also being provided in phased manner. The Delhi Development Authority and the Municipal Corporation of Delhi have so far spent over Rs. 300 crores on the maintenance of the resettlement colonies and strengthening and provision of additional facilities therein
