**THE MINISTER OF RAILWAYS (SHRI BANLI LAL) :** (a) A total quota of about 1310 berths/seats in all classes have been provided for Nagpur by various trains passing through Nagpur. Besides, 2 express trains and 10 Passenger trains are also

originating from Nagpur in addition to many local trains.

(b) A Statement is given below.

(c) No Sir, not at present.

(d) Does not arise.

(e) The existing quotas and services have been found to cater by and large satisfactorily to the present level of traffic. Besides, increase in the existing quotas is not feasible at present due to heavy pressure of demands on the available train accommodation at the train originating and other intermediate stations. However, this will be reviewed as and when additional accommodation becomes available.
