Petro Chemical Projects in Bihar

7775. SHRISYED SHAHABUDDIN: Will the Minister of INDUSTRY be pleased to state:

[Translation]

KVIC calendar

7774. SHRIMATIVIDYAVATICHATURVEDI: Will the Minister of INDUSTRY be pleased to state:

(a) whether the Khadi and Village Industries Commission has got its calendar for 1989 printed on mill-made paper; and

(b) if so, the reasons therefor in view of the Khadi and Village Industries Commission's object being to encourage hand made paper industry?

(a) the brief particulars of the Petro Chemical Projects which have been approved for being set up in Bihar and those which are under implementation and have not come on stream so far;

(b) the dates when the Industrial Licences and the letters of intent were granted for these projects;

(c) the original estimated cost and the date for the coming-on-stream of these projects;

(d) the latest estimated cost and date for the completion of these projects; and

(e) the reasons for the delay?

THE MINISTER OF STATE IN THE DEPARTMENT OF INDUSTRIAL DEVELOPMENT IN THE MINISTRY OF INDUSTRY (SHRI M. ARUNACHALAM) : (a) and (b). There is no deviation in KVIC's policy of adoption of hand made paper for all its uses and purposes. KVIC calendar for the year 1989 was got printed on mill-made paper due to mistaken notion that hand-made paper is not suitable for such kind of printing. KVIC is taking steps to ensure that only hand-made paper will be used for such purpose also in future.

THE MINISTER OF INDUSTRY (SHRI J. VENGAL RAO): (a) to (e). A letter of intent has been granted to Bihar State Industrial Development Corporation on 5/7/85 for manufacture of 50,000 TPA of Caprolactam in the State of Bihar. The original estimated cost of this project was around Rs. 225.00 crores and the latest estimated cost is around
