

- (ii) The cigarette manufactures are required to display on every cigarette packet/advertisement/hoarding the statutory warning "Cigarette smoking is injurious to health."
- (iii) It has also been decided that A.I.R. and Doordarshan would not accept any advertisements which encourage smoking.

Apart from the statutory warning on Cigarette packets and advertisements, most of the State Governments have promulgated laws prohibiting smoking in closed areas like cinemas, buses, educational institutions, hospitals etc. An action plan to intensify the health education in this area and to bring about a fall in the consumption pattern of tobacco products is under consideration with other associated Ministries.
