

State	Name of the project	
Haryana . . . . .	Panipat (National Fertilizers Limited)	
Punjab . . . . .	Bhatinda (National Fertilizers Limited)	
Bihar . . . . .	Sindri— Modernisation & Sindri Rationalisation	Fertilizers Corporation of India
Andhra Pradesh . . . . .	Ramagundam	Do.
Orissa . . . . .	Talcher	Do.
W. Bengal . . . . .	Haldia	Hindustan Fertilizer Corporation.
U.P. . . . .	Phulpur	Indian Farmers and Fertilizers Cooperative Ltd.
Gujarat . . . . .	Baroch	Gujarat Narmada Valley Ferti- lizer Co. Limited.

The gas based fertilizer projects proposed to be set up at Thal Vaishet in Maharashtra and at Hazira in Surat, Namrup III and the expansion of the IEL plant at Kanpur are expected to be taken up for implementation during 1979-80.

#### Certificates given to Films

7. SHRI A. MURUGESAN: Will the Minister of INFORMATION AND BROADCASTING be pleased to state:

(a) what are the certificates that are being given to films in India and the details thereof;

(b) what is the yardstick the Central Board of Film Censors is applying to certify the films such as 'A' etc. and the details thereof; and

(c) how many films were given the above certificates during the calendar year 1977 and upto the end of Decem-

ber, 1978, and the State-wise details thereof?

THE MINISTER OF INFORMATION AND BROADCASTING (SHRI L. K. ADVANI): (a) There are two categories of certificates issued to films for public exhibition in India, namely, 'U' (for unrestricted public exhibition) and 'A' (for public exhibition restricted to adults).

(b) All films are examined by the Board of Film Censors in accordance with the provisions of the Cinematograph Act, 1952 (37 of 1952) and the guidelines issued thereunder in January, 1978. Films which are considered by the Board as unsuitable for exhibition to non-adults are certified for exhibition restricted to adults only.

(c) The region-wise break-up of the number of films granted 'U' and 'A' certificates during the years 1977 and 1978 is given in the attached statement.

## Statement

Reg. on wise break-up of films certified by the Central Board of Film Censors as 'U' and 'A' during the calendar years 1977 and 1978

Year	Indian Films				Foreign films				Grand total	
	Feature films		Short films		Feature films		Short films		'U'	'A'
	'U' certificates	'A' certificates	'U' certificates	'A' certificates	'U' certificates	'A' certificates	'U' certificates	'A' certificates		
1977										
Bombay . . . . .	181	5	884	1	101	56	800	9		
Calcutta . . . . .	43	4	115		32	2	82			
Madras . . . . .	304	20	206		1		55	4		
<b>TOTAL . . . . .</b>	<b>528</b>	<b>29</b>	<b>1205</b>	<b>1</b>	<b>134</b>	<b>58</b>	<b>937</b>	<b>13</b>	<b>2804</b>	<b>101</b>

## Production of Steel during 1978

8. SHRI JANARDHANA POOJARY: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether the steel production in the country has registered a fall during 1978; and

(b) if so, the production during 1977 and 1978 and the reasons for fall in production?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL AND MINES (SHRI KARIA MUNDA): (a) and (b). There has been a marginal fall in production of steel during 1978 at the integrated steel plants when compared to 1977. The production of saleable steel was 6.535 Million Tonnes during 1978 from the integrated steel plants as against 7.006 Million Tonnes during 1977. The main reasons for shortfall during 1978 were as under:—

1. Shortage and frequent restrictions/fluctuations in power supply, particularly from DVC and MPEB.

2. Continued problems in supplies of coking coal to the steel plants both in terms of quantity and quality, restricted pushing of ovens at all the steel plants of SAIL resulting in lower level of production at all the units of the Plants.

3. Un-precedented rains and floods during September, 1978 in West Bengal and Bihar areas resulting in flooding of coal fields as well as Durgapur Steel Plant and affecting the Rail movements and the equipments at Durgapur Steel Plant.
