1161. **Shri L. J. Singh:** Will the Minister of States be pleased to refer to the reply to the supplementary question raised on starred question No. 545 asked on the 5th March, 1953, regarding the pay scales of Manipur and state why the Class III and IV servants are excluded from benefits of pay scale of Assam (as adopted in the revised scale of Manipur), when the Class I and II servants are getting the benefits of the same?

The Minister of Home Affairs and States (Dr. Katju): The revised scales of pay adopted for posts in different Departments of the Manipur Administration are modelled on those attached to posts of corresponding status and responsibility under the Government of Assam. The revised scales of pay apply to all classes of Government servants including Class III and IV servants. There is therefore no question of denying the benefits of the revised scales to Class III and IV servants.
