

made to reduce any difficulties being faced by consumers.

Modern "Customer Service Centres" Have been set-up in all Area Offices. The duplicate bills are now available at all Area Offices for any area, and bills can be paid at any MTNL counter even beyond due date. Payment counters have been opened at almost all Remote Exchange Areas (RLUs).

Depositing of telephone bills has been further simplified by the introduction of the system of payment through Post Bag. The "Revolving Account System" and the "Electronic Clearance System", are schemes which eliminate the requirement of the subscribers to visit any office for payment of telephone bills.

(c) The "Customer Services Management System" (CSMS) is proposed to be introduced in MTNL. This would create a highly automated computerised network in both Delhi and Mumbai, to provide various facilities to the customers.

(d) The CSMS project is likely to be implemented next year.
