

the Custodians of Evacuee Property in the country; and

(b) whether the evacuee shares of these properties would be resumed and their rents realised as before and credited to the Fund collected for this purpose?

**The Minister of Rehabilitation (Shri Tyagi):** (a) and (b). It is presumed that this question relates to wakf-alal-aulad properties. These properties also vested in the Custodian. These wakfs are primarily meant for the benefit of the descendants of the wakf but they also contain a provision for charity and are ultimately dedicated to God. These properties cannot be acquired under the Compensation Act because they involve interests of charity and non-evacuee beneficiaries. It was, therefore, decided to reinquish the evacuee beneficiaries interest in such properties in favour of non-evacuee beneficiaries. As no separate records have been maintained for these properties, it is not possible to supply information in regard to the total value of wakf properties transferred so far by the Custodian. Moreover, the collection of this information will not be commensurate with the time and labour involved.
