

Regarding stoppage of trains at Bommidi and Morappur stations in Tamil Nadu ? laid

DR. DNV SENTHILKUMAR S. (DHARMAPURI): I write to the Government with a collective request regarding train stoppages at Bommidi (BQI) and Morappur stations, requested by the people of my constituency. My constituency residents mainly rely on railway network for their daily commute and significant engagements. Scheduled stoppages at these stations would not only immensely benefit the local populace but also stimulate economic growth and enhance overall connectivity. Despite our previous communications with the O/o Hon?ble Minister of Railways and DRM these appeals remain unaddressed. For clarity and prompt action, I list the trains for which stoppages are required. SI No. Train No/Name Required Stoppage 1 02675/02676 MAS-CBE-MAS Exp Bommidi RS (BQI) 2 16525/16526 SBC Exp Bommidi RS (BQI) 3 12695/12696 MAS-TVC-MAS Bommidi RS (BQI) 4 22616 CBE-TPTY Exp Bommidi RS (BQI) Also I am placing a new request for Vande Bharat Exp (20644 MAS-CBE-MAS) stopping at Morappur for a brief 2-minute halt. Notably, the requested stoppage of Vande Bharat Express at Morappur stands crucial as it is the only potential stop in Dharmapuri District, offering considerable relief and convenience to its residents. I am optimistic that these modifications if granted will resonate positively with the public & reaffirm our commitment to their welfare. I thank the Government for its diligent attention to this combined appeal. We ardently await a favourable action.
